2 September 2019

**To: All Clients**

## **Sale to Holloway Harvey Law**

After 29 years of working as a lawyer I have decided to retire. I have enjoyed the people and the challenge of my legal practice but it is the right time for me to move on to the next phase in my life.

I am pleased to report that I have sold my practice to Tony Harvey. Tony is a Solicitor who has over 25 years' experience in conveyancing, small business, trusts, wills and estates.

Tony is a Tauranga local and has lived and worked here for most of his 50 years. He has run his own practice and also been a partner in and worked in other law firms. His skills and temperament are a good fit for my practice.

All my existing staff will remain with Tony and he will operate from 146 Fraser Street. The new name of the practice will be Holloway Harvey Law Limited. The takeover date is 2 September 2019. All the phone and email contacts will be the same. All your existing files and deeds will now be held by Holloway Harvey Law Limited.

Tony and I are working together to ensure that it will be business as usual for all my clients. Thank you for your support of my business over the years. I have enjoyed the work and all the good people that I have worked with.

I hope that you will continue your association with Tony and his team at Holloway Harvey Law Limited and I am confident that you will be well looked after by them.

Yours faithfully
